RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In the Claims

Please cancel claims 87 - 97, 111 - 113 and 116-122

Remarks

This is in response to the restriction requirement issued January 11, 2002, the shortened period for response there to expiring February 11, 2002.

A Restriction Requirement was issued between

Group I to claims 62-86, 98-110, 114 and 115

Group II to claims 87 - 97

Group III to claim 111

Group IV to Claims 112 and 113

Group V to claims 116 and 117 and

Group VI to claims 118-122.

Applicant elects Group I WITHOUT traverse and has cancelled the claims in Groups II-IV. Applicant reserves the right to prosecute said claims in divisional applications. The claims remaining for examination have been reviewed and it has been determined that inventorship originally set forth is still correct for the claims remaining in the application.

Claims 62-86, 98-110, 114 and 115 remain in the application.
